

## Mission Statement

*"You are fellow citizens of the saints and members of the household of God.... In Him you are being built into this temple to become a dwelling place for God in the Spirit." Ephesians 2:19,22*

We are called to live the Gospel message through the formation of a Christian community that is open, encouraging, evangelizing and affirming. As members of the Universal Church, we are challenged to become active disciples who continue to "put on Christ" through continuing faith development. We are called to strive through the renewal of our minds and hearts to actively love the Lord and our neighbor. Our spiritual growth is to be nourished in private prayer and devotion, reaching its finest expression in our liturgical acts of worship. As followers of Christ, we must witness our Faith to the world through concern for and service to others. In our response to others in need, we become partners in the universal call of Christ that all might become one.

Dear Parishioners,

Our Sacred Heart Legacy Brick Program is off to a strong start. There is still time to order your brick before we begin the installation. There are many opportunities to create expressions of love and gratitude as well as a unique and creative way to offer a gift to someone you know. Many have also used this Legacy Brick Program to create a lasting memorial for a loved ones who have died.

You will find in this weekend's bulletin more detailed information about the brick program including the sizes of bricks being offered, number of characters on each line and the keepsake bricks that are available. Order forms for the bricks can be found at all of the doors in our church as well as in the racks in the vestibule of church. Additional order forms are also available at the rectory office.

In next weekend's bulletin we will again publish a brick order form for your convenience. I hope you will consider this Program and take this opportunity to offer a unique gift to mark a special occasion or to create a lasting memorial to someone you love. All of the proceeds from this Program will be used to promote the mission of Sacred Heart Parish.

The deadline for the first installation of the bricks will be September 1st. This will allow us to have the brick pathway with the engraved bricks installed by our Oktoberfest.

Speaking of the Oktoberfest, please be sure to mark your calendars for this year's celebration. Our Oktoberfest will take place on Sunday, October 10, 2010 (10-10-10). As you know, many volunteers are needed for this parish celebration. The events and activities of our Oktoberfest/Fall Festival are intended to give us an opportunity to celebrate our parish community.

Our Oktoberfest seems to get larger every year. It certainly is a great way to celebrate the blessings of our vibrant community. It is also a great way to meet new people and make lasting friendships. You will find a full page flyer in today's bulletin containing more information as well as a form to fill out and return to the rectory office or place in the collection basket. Thanks, in advance, to all who will volunteer to work at this year's Oktoberfest celebration.

As many of you know, every summer our School Office is closed during the month of July. If you have any questions or would like to discuss any school matters, please contact the rectory and we will be happy to assist you in any way that we can.

I hope you can find some opportunities during these weeks of summer for some quiet, rest and renewal.

God's blessing for a great weekend,

*R. Edward Stanger*

## SACRED HEART LEGACY BRICK PROGRAM

There is still time to secure a memorial or gift brick for the fall installation in Clara's Garden. This program provides us with the opportunity to create expressions of our love, gratitude, and congratulations to friends and family. There are many possibilities for using this gift of recognition and remembrance—memorials for deceased family and friends, anniversaries, birthdays, graduations, Mother's Day, Father's Day, Christmas—the list is endless.

Order forms are available at the rectory office or in the racks of the church. This "Legacy Brick Program" is an exciting opportunity for us to offer unique and lasting memorials and gifts. It also serves as a program which supports the mission of Sacred Heart Parish and School. Please consider this opportunity as a way to remember someone you love or wish to honor in a unique and lasting way.

Two sizes of bricks are being offered. One brick measures 4 x 8 inches and offers three lines of print. There is room for 11 characters on each line. The larger size brick measures 8 x 8 inches and has space for four lines of print. There is also room for 11 characters on each line. A space does not count as a character.

We are also offering a keepsake brick that may be presented to the recipient. If you are giving the gift of a brick for a birthday, graduation, anniversary, etc. this keepsake brick is a great way to offer a special remembrance to the person being honored. Our goal is to offer this opportunity two times a year. As the bricks are completed, we will place them in various locations along the path. There is no limit to the number of bricks you can order.

### T.E.A.M.

### (The Emergency Assistance Ministry)

Thanks to all who donated food to T.E.A.M. this past month. We collected 69 bags of food. Your assistance is truly appreciated. May God bless you for your generosity to help those in need.

**Thank You** Thanks to all the families who donated medical equipment in response to the recent bulletin request.

There were so many people looking for assistance to help their loved ones who are disabled in different ways. Our Lord says to ask and you shall receive! Because of you they received much needed help.

It is so wonderful to be a part of a caring parish family here at Sacred Heart. Thank you from the bottom of my heart.

Shirley Schwartz
